

Love endeared to depths
beyond the will
and sentinel of time
blossoms once
and evermore becomes
the passion and
the promise -
the seed of time
and more.

W.C. Anderson

Happily, we two...

LeVonna Celia Zarate

and

William Charles Anderson

have found each
other in this world.

We have come to love, trust
and understand each other.

You are invited to share our joy
on Saturday, May twenty-second,
at twelve o'clock noon

Saint Peter the Apostle Catholic Church
